

SAVE YOUR SPOT

Please email the names of all participants and accompanying persons to:

export@koenigsee-implantate.de.

Accompanying persons are welcome to join. Please note that additional arrangements and costs may apply for accompanying persons. Kindly contact us in advance so that we can make the necessary arrangements.

Register by June 30th, 2026 to benefit from our [early bird offer](#).

The final registration deadline is July 15th, 2026. Your spot is officially reserved once we've received your payment. Each course is limited to 30 participants, so don't wait too long to register! Cancellations must be made in writing. No cancellation fees if you send a replacement. Cancellations after September 1st, 2026, will only be refunded for the participation fee, not the hotel costs. Königsee Implantate GmbH's General Terms and Conditions for Training Events apply.

PAYMENT

Participation fee for the autumn course in Jena: € 1.100 (excl. VAT).

Autumn Cadaver & Trauma Masterclass 29th INTERNATIONAL HANDS-ON WORKSHOP WHERE EXPERIENCE MEETS INNOVATION

22.- 23. SEPTEMBER 2026
JENA, GERMANY

ROCK IT

WHY YOU SHOULD JOIN

- ✔ Real cases, real solutions, real discussion
- ✔ Learn from internationally experienced surgeons
- ✔ Hands-on cadaver training
- ✔ First look at our new Proximal Tibia System
- ✔ Exchange ideas directly with our development team
- ✔ Interactive workshops shaped by faculty AND participants
- ✔ Meet colleagues from around the world

Because the best ideas are shared, challenged and improved together.

 **Königsee
Implantate**

MORE THAN A WORKSHOP - WHERE EXPERIENCE MEETS INNOVATION

Join experienced surgeons, product developers and colleagues from around the world for two days of innovation, discussion and practical learning.

Challenge ideas.
Share experiences.
Discuss complications.
Explore new solutions.

This year, participants are not just attendees – they are part of the conversation.
